Classes start the second week of the first month of the period and they finish the second week of the 3<sup>rd</sup> month. Detailed time schedule will be announced when students are accepted for the program. Students may collect 18 ECTS each period in every program. Students may choose to participate in a short course instead of a whole period (4 days to 1 month). They can also combine courses between programs if they don't overlap in time schedule.

### **Language of courses**

All courses are taught in English.

### **Deadlines for applications**

Students may apply two months prior to any period (for longer visits) and one month prior to any short course.

## Minimum Requirements

Students need to be at graduate level. If the students want to participate at any of the MBA courses, then they need to have at least 3 years of working experience. They also need to have good knowledge of English language, TOEFL min 100 or IELTS min 7,0.

## Visa

Non EU students, for visits of more than 3 months, require student visa. A certain procedure needs to be followed with Greek Embassies. We need at least 2 months before arrival to make arrangements.

## Accommodation

For longer visits and according to availability, ALBA may provide furnished apartments upon request (approx. 350 – 450 Euro/bills included). In that case students may have to share an apartment with other international students.

Students may also choose from a variety of hostels in Athens city center (approx. 400-500 Euro/month depending on quality of hostel)

There is also a variety of top quality furnished apartments in the local area downtown that cost approx. 700 Euro per month (all included).
