

A photograph of a Parisian street scene featuring a large, ornate apartment building with multiple stories, balconies, and mansard roofs. The building is partially obscured by lush green trees in the foreground. Several cars are parked along the street in front of the building. The sky is overcast. The entire image is framed by a white, hand-drawn style border.

HOUSING IN PARIS

General Information

- Finding a place to stay in Paris can be difficult so we strongly recommend that you start looking before you leave your country.
- Housing will cost you between 900 and 1200 Euro/month for a student (first months are more expensive because of agency fees, deposits...) and home insurance is mandatory (around 100€ a year).
- You can get an idea of the cost of living on the following link : <https://www.numbeo.com/cost-of-living/>
- Most families, residences & owners require students to take out a comprehensive housing insurance policy.
- At the end of your mobility, you will have a few procedures to complete
 - Préavis (departure notice): you will need to inform your residence or landlord before you leave, depending on the contract, this needs to be done 1 to 3 months before.
 - Etat des lieux (inventory): before leaving your housing, you will need to do an inventory with your landlord or residence, if anything is missing or has been deteriorated, they can retain part of your deposit.
 - Caution (deposit): make sure to ask for your deposit, the landlord/residence have 1 to 2 months to give it back. Students are allowed to request a housing subsidy from the CAF organization.
 - You will need to cancel your subscriptions or contracts, including electricity, internet, phone, insurance etc
 - Concerning the housing subsidy and bank, you will need to give them your new contact details
