Student life

Student visa information

Are students required to obtain a student visa?

Yes. Once students return the signed acceptance contract with applicable payment, UWA will issue a Confirmation of Enrolment (CoE) document which will allow students to apply for an Australian Student Visa (ASV). Visas can take 2–4 weeks to be approved.

Are students permitted to work?

Students on an ASV can work up to 40 hours per fortnight during semester and unlimited hours during University holidays.

Working Holiday Visa (WHV)

Instead of a Student Visa, some students may be eligible to apply for a Working Holiday Visa (WHV). Please see the following website for the different categories and conditions of a [WHV](#).

Students coming to UWA on a WHV should be aware of the following considerations:

- *Students are not entitled to Overseas Student Health Cover (OSHC) but must accept the responsibility to arrange their own [health cover](#) and acknowledge that they must cover their own expenses while in Australia.*
- *Students will not be covered by the Education for Overseas Students ([ESOS](#)) Act which protects the interests of overseas students studying in Australia.*

Overseas Student Health Cover (OSHC)

Overseas Student Health Cover ([OSHC](#)) is an Australian Student Visa requirement. Further information is available at the [Department of Home Affairs](#).

UWA can arrange OSHC for students through [Medibank](#). Alternatively, students can purchase their own through one of the Australian Government-[approved providers](#). Students must provide evidence of this when submitting their acceptance documents.

Most students from Sweden, Norway and

Belgium do not have to purchase OSHC. New Zealand and Australian citizens who are eligible for Medicare do not require OSHC.

Are students able to apply for an insurance waiver if they have their own insurance coverage?

No. OSHC is an Australian Government requirement.

Student services

Exchange and Study Abroad students can access all the same [services](#) and supports as full-degree students, such as:

- [UniAccess](#): helps students with physical or mental health conditions, issues or disabilities
- [Study Smarter](#): free academic skills programs to improve writing, English, maths, research, time management, plus expert advice.
- [UniMentor](#): meet a current UWA student to help navigate uni life.
- [UWA Allies](#): informed support for LGBTQIA+ students.
- The [School of Indigenous Studies](#) (SIS) provides a support and resource centre for Indigenous, Torres Strait Islander and First Nations students.

Estimated costs

Cost of living

Please see the full list of [estimated costs](#).

Fees other than tuition (e.g. student services)

There is a compulsory Student Services and Amenities Fee ([SSAF](#))*

*Exchange students are exempt from paying the SSAF but the fee is applicable to Study Abroad students and must be paid during the semester. Failure to pay fees will encumber the student and it will not be possible to release their transcript at the end of the program.

Transcripts

Transcripts will be sent at the completion of the exchange period (either August or January) to the home institution or agent, as applicable.
